DragonScope demo cards

Cut along the dashed lines and give one to each visitor. These are not real. The card numbers are published payment test numbers, and each NIC uses day 999, which no real NIC can contain.

DragonScope demo **FAKE: NOT A REAL CARD**

Card number
4242 4242 4242 4242

NIC
859991234V

Type this into the demo, then make the AI forget it.
